Notification dated 30th April 1953.

No. G.N. 8. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 10 A.M. on 30th May 1953, for the supply of the following, the terms of delivery being f.o.r. Bangalore.

1.	Three celled torches, Eveready or Superior make complete with bulb, reflector etc.	5 gross
2.	Linemen rubber gloves—9", 10" and 12" size. Alternate quotations for straight fingers type and curved fingers type, 10,000 volts class, guaranteed to A.S.T.M. or B.S.S. and G vernment specifications. Replacement must be made of all gloves which fail under initial tests at their rated voltage or otherwise prove unsatisfactory on delivery. Illustrative and descriptive literatures including the voltage upto which they have been tested etc., should be submitted along with quotation	250/300 pairs
3.	Safety belts as per sample that may be seen from this office complete with buckle etc. ...	100 Nos.

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rates should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender. Full specifications regarding make, etc., should be specified in the tender along with the manufacturers name etc., complete. The quantities in each item to be purchased may be verified according to actual requirements at the time of order.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this Department for local purchases.

The tenders should be superscribed as "Tender for the supply of 3 celled torches, Linemen rubber gloves and safety belts to be opened on 1st June 1953."
